Conspiracy II Update #1

UpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdateUpdate

The Concom of Evil is proud to reveal that they have successfully abducted three more guests for Conspiracy II's most nefarious purposes. Their identities are revealed below.

Isabelle Carmody – Writer

Author of the fantasy series the Obernewtyn Chronicles, as well as many other books, including the Legendsong Saga (trilogy), and a number of stand-alone books including *Alyzon Whitestarr* and *The Gathering* (which was a joint winner of the 1993 Children's Peace Literature Award).

Marianne de Pierres – Writer

Author of the Parrish Plessis cyberpunk series (recently made into an RPG by White Mice Worldbuilding), Marianne has also had a number of short fiction publications in various book anthologies and magazines.

Dylan Horrocks – Comics Writer and Illustrator

Well-known New Zealand artist and author, Dylan Horrocks' works include *Hicksville*, a 25-issue run on *Hunter: the Age of Magic* and 19 issues of *Batgirl*. His most recent work is "The Physics Engine", an 11-page comic in the writers-and-scientists collaborative book *Are Angels OK?*. Dylan also designed the cover of the book.
